

SAY YES TO

CULTURE

Dallas is a modern urban oasis that serves as a home to people from around the country and world, creating a **diverse culture** and a global region. Whether you're looking for history, fine arts, shopping, amusement parks, or a professional sports team to root for, you can find something you love in the Dallas Region.

The Dallas Region has not one but **two major art districts**. Covering 68 acres and 19 blocks, the Dallas Arts District is home to museums, galleries, and performance venues. Here you can catch a performance of Texas Ballet Theater, a Broadway touring production, classical or local museums, and much more. The Fort Worth Cultural District boasts **five internationally recognized museums**, including the Kimbell Art Museum, the Amon Carter Museum of American Art, and Modern Art Museum of Fort Worth.

Dallas is an **entertainment field of dreams**. With baseball, basketball, football, hockey, and soccer, Dallas is home to numerous professional sports teams to cheer on. From **master-planned development centers** with trendy shops and restaurants to rooftop bars and laid-back happy hours, the Dallas Region has something for everyone.

As the **fastest-growing U.S. metro over the past decade**, the Dallas Region is diverse, progressive, and evolving every day. With **more than 230 languages** spoken and **18% foreign-born residents**, Dallas is a growing international city. Our vibrant and growing population provides opportunities for people to come together and share their cultures, talents, and perspectives on the world.
